### Full job description

My client is one of Australia largest Infrastructure construction companies and they specialising in a range of civil areas including subdivision, roads water and sewer.

They are looking for experience pipe layers to join their team for on going and full time work in West and North Melbourne

They are Ideally looking for someone with a generous amount of sewer experience including laying pipe in storm sewers, sanitary sewers, drains, and/or water mains.

Any plumbing experience will be looked upon favourable.

Must have a MINIMUM 1 – 2 years' experience as a pipe layer.

Any other tickets will also be looked upon favourable.

If you are successful for this position you will receive above award wages with full time work, over time and penalties.
