Why work for us:

Cater Care is a catering and facilities services provider which is 100% Australian owned and operated, a fact that positively sets us apart from many of our competitors. At Cater Care, we create a home away from home for thousands of people from all walks of life. In a home it's the little things that count, and they're the things we take care of. Since establishment in 1999, Cater Care has enjoyed substantial growth based on its growing reputation to become a recognised and highly respected service provider throughout Australia. Cater Care is committed to being Australia's leading food service provider by achieving continual improvement through innovative services within our market sectors; education, business and industry, aged and residential care, defence and remote services.

We have a unique culture that can only be attributed to the people that work for us. To assist you in deciding whether you would like to work for us, please head over to our website to view our EVP, Values, The Cater Care Way and Employee Benefits.
